

Addition Parts Within 10: Review Connections

Name: _____ Date: _____

Use what you learned to explain, construct or apply an idea.

1. There are 4 red counters and 3 blue counters. How many altogether?

2. There are 7 counters. 3 are blue. How many are red?

3. A group starts with 3 counters and ends with 7. How many were added?

4. Use subtraction to check $4 + 3 = 7$.
