

Addition Parts Within 20: Review Connections

Name: _____ Date: _____

Use what you learned to explain, construct or apply an idea.

1. There are 8 red counters and 6 blue counters. How many altogether?

2. There are 14 counters. 6 are blue. How many are red?

3. A group starts with 6 counters and ends with 14. How many were added?

4. Use subtraction to check $8 + 6 = 14$.
