

Analyze Shared Powers: Practice Independently

Use the matching sheet ID when checking answers.

Use the material to work through each task. Show the requested response.

1. What vote is required for the stated override?

Answer: two-thirds in each chamber of Congress

2. Explain why this example involves a check rather than one person deciding alone.

Look for:

- Connects institutions and limits.

One possible response: The president and Congress have different actions, with a further congressional threshold.

Open responses use criteria and an illustrative response. Other well-supported responses can be acceptable.
