

Compare Quantities Within Ten: Apply and Create

Name: _____ Date: _____

Use what you learned to explain, construct or apply an idea.

Compare totals

Count each group. More means a greater total. Fewer means a smaller total. Equal groups have the same number even when spaced differently.

1. One group has 3 dots and another has 5. Draw both groups, then add dots to make the first equal to the second.

2. Three large buttons and five small buttons are shown. Which group has more buttons?
