

Compare Quantities Within Ten

Name: _____ Date: _____

Use the material to work through each task. Show the requested response.

Compare totals

Count each group. More means a greater total. Fewer means a smaller total. Equal groups have the same number even when spaced differently.

1. Which group has more?

Group A

Group B

☐ A	☐ B
-------------------------	-------------------------

2. Which group has fewer?

Group A

Group B

☐ A	☐ B
-------------------------	-------------------------

Compare Quantities Within Ten

Name: _____ Date: _____

3. Fill in greater than, less than, or equal to: 4 ____ 7.

4. Both groups have four objects. Are their totals equal?

Group A

Group B

5. One group has 3 dots and another has 5. Draw both groups, then add dots to make the first equal to the second.

6. Three large buttons and five small buttons are shown. Which group has more buttons?
