

Compare Views With Text Evidence

Use the matching sheet ID when checking answers.

Use the material to work through each task. Show the requested response.

1. What do both texts suggest about the size of the first garden?

Answer: start small or use a small pilot

2. What concern does Text B emphasize?

Answer: care during breaks and a care plan

3. Compare the main reasons in A and B.

Look for:

- Accurately represents both texts.

One possible response: A emphasizes learning benefits; B emphasizes a workable care plan.

4. Use one detail from each text to support your comparison.

Look for:

- Uses relevant details from both.

One possible response: A links science and writing; B asks who will care for plants during breaks.

5. Suggest a plan that responds to both views.

Look for:

- Addresses learning benefits and care.

One possible response: Start two small beds and assign care duties before planting.

6. Does B completely oppose a garden? Explain.

Look for:

- Recognizes the conditional position.

One possible response: No. B supports it if there is a care plan.

Open responses use criteria and an illustrative response. Other well-supported responses can be acceptable.
