Two Views on a School Garden

Text A: A garden would let students watch plants change. It could connect science and writing. We should start with two small beds so watering is manageable.

Text B: A garden sounds interesting, but someone must care for it during breaks. I support a garden only if we make a care plan first. A small pilot could help us learn what work is needed.

1. Compare the main reasons in A and B.

2. Use one detail from each text to support your comparison.
