

Write an Explanation Paragraph: Apply and Create

Use the matching sheet ID when checking answers.

Use what you learned to explain, construct or apply an idea.

1. Write a conclusion limited to this test.

Look for:

- Avoids claiming all folded designs always work better.

One possible response: In this test, the folded design supported more blocks.

2. Combine your sentences into a clear paragraph.

Look for:

- Maintains logical order.
- Keeps accurate details.

One possible response: A coherent explanation of setup, results and limited conclusion.

Open responses use criteria and an illustrative response. Other well-supported responses can be acceptable.
