Name: _____ Date: _____

Use what you learned to explain, construct or apply an idea.

How a paper bridge was tested

Invented practice data or scenario; not a report of a real study.
In an invented classroom test, a flat sheet held one block. A folded sheet held four blocks. Both sheets rested across the same gap. The class compared their designs.

1. Write a conclusion limited to this test.

2. Combine your sentences into a clear paragraph.
