

Write an Explanation Paragraph

Name: _____ Date: _____

Use the material to work through each task. Show the requested response.

How a paper bridge was tested

Invented practice data or scenario; not a report of a real study.
In an invented classroom test, a flat sheet held one block. A folded sheet held four blocks. Both sheets rested across the same gap. The class compared their designs.

1. What comparison does the paragraph describe?

2. Which design held more blocks?

3. Write a topic sentence for an explanation of the test.

Write an Explanation Paragraph

Name: _____ Date: _____

4. Write two details that support the comparison.

5. Write a conclusion limited to this test.

6. Combine your sentences into a clear paragraph.
