

Write an Explanation Paragraph: Practice Independently

Name: _____ Date: _____

Use the material to work through each task. Show the requested response.

How a paper bridge was tested

Invented practice data or scenario; not a report of a real study.
In an invented classroom test, a flat sheet held one block. A folded sheet held four blocks. Both sheets rested across the same gap. The class compared their designs.

1. Write a topic sentence for an explanation of the test.

2. Write two details that support the comparison.
