

Earth Science: The Four Seasons and Weather

Use the matching sheet ID when checking answers.

Match each season on the left with what the weather feels like on the right.

1. Spring — Baby birds & blooming buds → Mild rainy showers, green grass growing, and colorful flowers sprouting.
2. Summer — Hot sunshine & beach days → Hot sunny days, swimming in the pool, and wearing shorts and sandals.
3. Fall (Autumn) — Cool breeze & colorful leaves → Crisp cool air, leaves changing red and orange, and harvesting pumpkins.
4. Winter — Cold frosty snow & warm coats → Cold freezing weather, building snowmen, and wearing mittens and woolen hats.
