

Earth Science: The Four Seasons and Weather

Name: _____ Date: _____

Match each season on the left with what the weather feels like on the right.

1. Spring — Baby birds & blooming buds → _____

2. Summer — Hot sunshine & beach days → _____

3. Fall (Autumn) — Cool breeze & colorful leaves → _____

4. Winter — Cold frosty snow & warm coats → _____

Choices: A. Hot sunny days, swimming in the pool, and wearing shorts and sandals. · B. Cold freezing weather, building snowmen, and wearing mittens and woolen hats. · C. Mild rainy showers, green grass growing, and colorful flowers sprouting. · D. Crisp cool air, leaves changing red and orange, and harvesting pumpkins.
