

Make Pictures With Lines and Shapes: Apply and Create

Use the matching sheet ID when checking answers.

Use what you learned to explain, construct or apply an idea.

1. Tell an adult what your picture shows.

Look for:

- Connects description and drawing.

One possible response: A picture described in the student's own words.

2. Can two people make different pictures from the same shapes?

Look for:

- Accepts reasonable creative variation.

One possible response: Yes. People can combine shapes in different ways.

Open responses use criteria and an illustrative response. Other well-supported responses can be acceptable.
