

Classify Living and Nonliving Things: Explore and Explain

Name: _____ Date: _____

Explore the material. Talk through your reasoning with suitable support.

Look for more than movement

Plants and animals are living things. They grow and need resources. A toy car can move when pushed, but movement alone does not make it living.

1. Which is a living thing?

☐ Tree	☐ Toy car
☐ Spoon	

2. Which is nonliving?

☐ Cat	☐ Rock
☐ Flower
