

Main Ideas and Supporting Details: Check Your Understanding

Name: _____ Date: _____

Work through these tasks. Use the answers afterwards to discuss specific strengths and next steps.

Helpful Labels

Labels help people find things. A box label can name the objects inside. A shelf label can show where books belong. A classroom map label can identify a place. Clear labels save searching time and help people return things to the right place.

1. What is the main idea?

2. What can a shelf label show?

3. Choose a detail and explain how it supports the main idea.

4. Write a concise summary.
