

Main Ideas and Supporting Details: Review Connections

Use the matching sheet ID when checking answers.

Use what you learned to explain, construct or apply an idea.

1. State the main idea in one sentence.

Look for:

- Covers the passage rather than one item.

One possible response: The repair box helps students make small repairs.

2. What can replace a damaged cover?

Answer: spare paper

3. Explain how the tape example supports the main idea.

Look for:

- Links a specific detail and main idea.

One possible response: Repairing torn pages shows one way the box helps keep objects useful.

4. Summarize the passage in two sentences.

Look for:

- Keeps important details.
- Avoids unrelated opinions.

One possible response: The box provides supplies for small repairs, such as fixing pages and tags.

Open responses use criteria and an illustrative response. Other well-supported responses can be acceptable.
