

Form Repetition and Contrast: Apply and Create

Use the matching sheet ID when checking answers.

Use what you learned to explain, construct or apply an idea.

1. Could a returning A include small changes?

Look for:

- Distinguishes identity of section from exact repetition.

One possible response: Yes. A section can return with variation.

2. What musical information do labels alone omit?

Look for:

- Recognizes the simplified representation.

One possible response: Melody, rhythm, harmony, instrumentation and detailed changes.

Open responses use criteria and an illustrative response. Other well-supported responses can be acceptable.
