

Needs Wants and Limited Choices: Apply and Create

Name: _____ Date: _____

Use what you learned to explain, construct or apply an idea.

A pretend picnic

Invented practice data or scenario; not a report of a real study.

A group has drinking water and food. They can choose only one extra item: a toy or an umbrella for expected rain. What is needed depends on the situation.

1. Which extra item would you choose and why?

2. Could a want or useful item change with the situation?
