

Observe and Record Weather: Apply and Create

Use the matching sheet ID when checking answers.

Use what you learned to explain, construct or apply an idea.

1. Does the log tell us the weather next Thursday?

Look for:

- Distinguishes a record from a future prediction.

One possible response: No. It records only three earlier days.

2. Tell an adult one thing you can see that helps describe weather.

Look for:

- Describes an observable feature.

One possible response: I can see clouds.

Open responses use criteria and an illustrative response. Other well-supported responses can be acceptable.
