

Reflect on a Creative Process: Apply and Create

Use the matching sheet ID when checking answers.

Use what you learned to explain, construct or apply an idea.

1. Propose a next iteration and criterion.

Look for:

- States a specific next step and criterion.

One possible response: Test readability and revise text size if viewers struggle.

2. Why is I like it insufficient as a complete evaluation?

Look for:

- Distinguishes preference from supported critique.

One possible response: Preference matters but does not explain whether the work meets its purpose.

Open responses use criteria and an illustrative response. Other well-supported responses can be acceptable.
