

Silence Still Takes Time: Practice Independently

Name: _____ Date: _____

Use the material to work through each task. Show the requested response.

Sound and rest

For this paper model, S means one beat of sound and R means one beat of silence. Every symbol occupies one beat. A rest takes time even though no sound is made.

1. Do S S S S and S R S R have the same total duration?

2. Create a four-beat pattern with exactly one silent beat.
