

Count and Build Beat Patterns: Explore and Explain

Name: _____ Date: _____

Explore the material. Talk through your reasoning with suitable support.

Beat values

For this paper task, each note shape has its beat value labeled. Read the values and add them. A performance activity would also need clapping or an instrument.

1 beat

1 beat

2 beats

1. How many beats are in the shown pattern?

2. A pattern has values 2, 1 and 1. Find the total.

2 beats

1 beat
