

Count and Build Beat Patterns: Practice Independently

Name: _____ Date: _____

Use the material to work through each task. Show the requested response.

Beat values

For this paper task, each note shape has its beat value labeled. Read the values and add them. A performance activity would also need clapping or an instrument.

1 beat

1 beat

2 beats

1. A four-beat pattern begins with 1 and 1. How many beats remain?

2. Write a different pattern that totals four beats.
