

First Next and Last

Use the matching sheet ID when checking answers.

Use the material to work through each task. Show the requested response.

1. What does Mia put in the cup first?

Answer: soil

2. What does she add after the seed?

Answer: water

3. Number the events from first to last.

Order: Put soil in the cup → Put a seed in the soil → Add water

Use the sequence in the story.

4. What happens later?

Answer: A plant grows

The last sentence tells that a small plant grows.

5. Draw three steps from the story in order.

Look for:

- Keeps the order from the story.

One possible response: Soil, seed, water.

6. Use first, next and last to tell the planting steps.

Look for:

- Uses events and order words.

One possible response: First put soil in the cup, next add a seed, last add water.

Open responses use criteria and an illustrative response. Other well-supported responses can be acceptable.
