

First Next and Last: Practice Independently

Use the matching sheet ID when checking answers.

Use the material to work through each task. Show the requested response.

1. Number the events from first to last.

Order: Put soil in the cup → Put a seed in the soil → Add water

Use the sequence in the story.

2. What happens later?

Answer: A plant grows

The last sentence tells that a small plant grows.

Open responses use criteria and an illustrative response. Other well-supported responses can be acceptable.
