Use the material to work through each task. Show the requested response.

Read the relationship

In a take-away story, start with the whole and remove a part. A missing-part story asks how much of the whole is not in the known part.

1. There are 12 apples. Five are eaten. How many remain?

---

2. A class has 14 children. Eight are indoors. How many are outside?

---

3. Nia has 11 stickers. Leo has 7. How many more does Nia have?

---

4. There were 15 blocks. Now there are 9. How many were removed?

---

5. Draw a model for  $10 - 3$ .

6. How can addition check  $13 - 5 = 8$ ?

---

---
