

Subtraction Stories and Missing Parts

Name: _____ Date: _____

Use the material to work through each task. Show the requested response.

Read the relationship

In a take-away story, start with the whole and remove a part. A missing-part story asks how much of the whole is not in the known part.

1. There are 12 apples. Five are eaten. How many remain?

2. A class has 14 children. Eight are indoors. How many are outside?

3. Nia has 11 stickers. Leo has 7. How many more does Nia have?

4. There were 15 blocks. Now there are 9. How many were removed?

5. Draw a model for $10 - 3$.

6. How can addition check $13 - 5 = 8$?
