

Summarize and Attribute Ideas

Name: _____ Date: _____

Use the material to work through each task. Show the requested response.

An original practice note

The note argues that repairing suitable objects may reduce waste. It also explains that unsafe or badly damaged objects may require replacement.

1. What is the note mainly about?

2. Which objects may need replacement?

3. Paraphrase the first idea without copying the whole sentence.

4. Write a sentence beginning The note explains that.

5. Add a clearly labeled personal opinion.

6. Write a concise summary with both benefit and limitation.
