

Build Numbers With Tens and Ones

Name: _____ Date: _____

Use the material to work through each task. Show the requested response.

Bundle ten ones

Ten ones can be exchanged for one ten. In 34, the 3 represents three tens and the 4 represents four ones.

1. How many tens and ones are in 27?

2. Write 46 as tens plus ones.

3. 3 tens and 8 ones make what number?

4. What is the value of the 5 in 52?

5. Draw a model of 24. Use a long bar for each ten and a dot for each one.

6. Can 1 ten and 14 ones represent 24? Explain.
