

Design Under Clear Constraints: Apply and Create

Name: _____ Date: _____

Use what you learned to explain, construct or apply an idea.

An invented sign brief

Invented practice data or scenario; not a report of a real study.

Design a sign for a quiet reading area. It must be readable from across a room, include no more than five words and use a clear focal point. Actual distance and size would need to be tested.

1. Name one revision that could improve your design.

2. Why might extra decoration weaken this design?
