

Support an Interpretation of a Composition: Apply and Create

Use the matching sheet ID when checking answers.

Use what you learned to explain, construct or apply an idea.

1. Sketch a revision that creates a different effect.

Look for:

- Changes a relevant feature.

One possible response: Move the figure closer to another element or fill more space.

2. Why can more than one interpretation be reasonable?

Look for:

- Supports interpretation rather than claiming certainty.

One possible response: Visual choices can support different readings when evidence is explained.

Open responses use criteria and an illustrative response. Other well-supported responses can be acceptable.
