

Write an Explanation Paragraph: Explore and Explain

Name: _____ Date: _____

Explore the material. Talk through your reasoning with suitable support.

How a paper bridge was tested

Invented practice data or scenario; not a report of a real study.
In an invented classroom test, a flat sheet held one block. A folded sheet held four blocks. Both sheets rested across the same gap. The class compared their designs.

1. What comparison does the paragraph describe?

2. Which design held more blocks?
