An invented park report

Invented practice data or scenario; not a report of a real study.
Our invented class counted 12 trees in a small park. The park has two benches. I think the shaded bench is the best place to read. A path runs between the benches. The park is the most wonderful place in town.

1. Which statement reports a counted fact?

☐ The park is wonderful.	☐ The class counted 12 trees.
☐ The bench is best.	

2. Copy a phrase that signals an opinion.
