An invented park report

Invented practice data or scenario; not a report of a real study.
Our invented class counted 12 trees in a small park. The park has two benches. I think the shaded bench is the best place to read. A path runs between the benches. The park is the most wonderful place in town.

1. Write a checkable claim using one detail in the passage.

2. Write an opinion about the park and a reason based on the passage.
