

Main Ideas and Supporting Details: Apply and Create

Name: _____ Date: _____

Use what you learned to explain, construct or apply an idea.

A Garden Changes

A school garden gives children several ways to learn. They count seeds before planting. They measure plants as they grow. They watch insects visit flowers. Children also write notes about what they observe. The garden is more than a place to grow food; it is a place to explore.

1. Explain how one detail supports the main idea.

2. Write a two-sentence summary.
