

First Next and Last: Apply and Create

Use the matching sheet ID when checking answers.

Use what you learned to explain, construct or apply an idea.

1. Draw three steps from the story in order.

Look for:

- Keeps the order from the story.

One possible response: Soil, seed, water.

2. Use first, next and last to tell the planting steps.

Look for:

- Uses events and order words.

One possible response: First put soil in the cup, next add a seed, last add water.

Open responses use criteria and an illustrative response. Other well-supported responses can be acceptable.
