

Develop a Theme Through Choices: Explore and Explain

Name: _____ Date: _____

Explore the material. Talk through your reasoning with suitable support.

Two original scenes

Scene A: Mara refused help with a heavy display. The stand tilted, and she spent the afternoon repairing it. The next day she asked two classmates to hold the base while she fastened it.

Scene B: Ivo hid an unfinished drawing because he feared criticism. When he finally showed it, a classmate suggested a clearer outline. He tried the suggestion and kept the parts he liked.

1. What consequence follows Mara refusing help?

2. Suggest a theme supported by both scenes.
