Two original scenes

Scene A: Mara refused help with a heavy display. The stand tilted, and she spent the afternoon repairing it. The next day she asked two classmates to hold the base while she fastened it.

Scene B: Ivo hid an unfinished drawing because he feared criticism. When he finally showed it, a classmate suggested a clearer outline. He tried the suggestion and kept the parts he liked.

1. Would everyone must always accept all advice fit these scenes? Explain.

2. Compare how the two scenes develop the theme.
