

Beginning English for Older Learners: Apply and Create

Use the matching sheet ID when checking answers.

Use what you learned to explain, construct or apply an idea.

1. Give a reply using beside.

Look for:

- Uses beside to express location.

One possible response: It is beside the library.

2. Write a two-person dialogue asking about a school place.

Look for:

- Has a question and a relevant answer.

One possible response: Where is the office? It is beside the library.

Open responses use criteria and an illustrative response. Other well-supported responses can be acceptable.
