

Beginning English for Older Learners: Review Connections

Use the matching sheet ID when checking answers.

Use what you learned to explain, construct or apply an idea.

1. Where is the science room?

Answer: across from the art room

2. When does the club begin?

Answer: at three

3. Write a question asking about location.

Look for:

- Uses where for place.

One possible response: Where is the art room?

4. Give a reply using across from.

Look for:

- Uses the relation appropriately.

One possible response: It is across from the science room.

Open responses use criteria and an illustrative response. Other well-supported responses can be acceptable.
