

Build a Qualified Argument: Apply and Create

Use the matching sheet ID when checking answers.

Use what you learned to explain, construct or apply an idea.

1. Write a conclusion using if.

Look for:

- Preserves conditions.

One possible response: If demand is strong and resources allow, the school could continue.

2. Combine your points into a short argument.

Look for:

- Uses connected sentences.
- Keeps the evidence limits.

One possible response: A clear proposal, reason, concern and qualified conclusion.

Open responses use criteria and an illustrative response. Other well-supported responses can be acceptable.
