

Explain Causes With Care: Apply and Create

Use the matching sheet ID when checking answers.

Use what you learned to explain, construct or apply an idea.

1. Use however to explain the limit.

Look for:

- Connects the limitation.

One possible response: However, the routine also changed, so the cause is unclear.

2. Ask a question that could help investigate the cause.

Look for:

- Requests relevant evidence.

One possible response: What happens if only one change is made?

Open responses use criteria and an illustrative response. Other well-supported responses can be acceptable.
