

Connect Events With Sequence Words: Apply and Create

Use the matching sheet ID when checking answers.

Use what you learned to explain, construct or apply an idea.

1. Retell the project with three sequence words.

Look for:

- Preserves the order.

One possible response: First she gathers paper, then makes and writes the card, finally gives it away.

2. Describe a simple process using first, then and finally.

Look for:

- Uses sequence words with a coherent process.

One possible response: First gather pencils, then draw, finally put the pencils away.

Open responses use criteria and an illustrative response. Other well-supported responses can be acceptable.
