

Describe Where Things Are: Apply and Create

Use the matching sheet ID when checking answers.

Use what you learned to explain, construct or apply an idea.

1. Write a question and answer about the pencil.

Look for:

- Uses where and the correct position.

One possible response: Where is the pencil? It is in the box.

2. Draw an object on a desk and write a sentence.

Look for:

- Drawing and sentence agree.

One possible response: The book is on the desk.

Open responses use criteria and an illustrative response. Other well-supported responses can be acceptable.
