

Synthesize Evidence in Academic English: Apply and Create

Use the matching sheet ID when checking answers.

Use what you learned to explain, construct or apply an idea.

1. Write a sentence using although.

Look for:

- Expresses the contrast accurately.

One possible response: Although some volunteers liked the planner, their experience does not prove it improves grades.

2. Write a short synthesis and one question for further study.

Look for:

- Attributes the source information.
- Avoids unsupported causation.

One possible response: A qualified synthesis followed by a relevant question about outcomes or comparison.

Open responses use criteria and an illustrative response. Other well-supported responses can be acceptable.
