

Synthesize Evidence in Academic English: Practice Independently

Name: _____ Date: _____

Use the material to work through each task. Show the requested response.

Two invented notes

Invented practice data or scenario; not a report of a real study.
Note A reports that some volunteers liked a planner. Note B says planning routines differ across students. Neither note measures grades or proves a causal effect.

1. Complete: Together, the notes suggest ____, but ____.

2. Write a claim using may rather than guarantees.
