

What Comes Next: Apply and Create

Use the matching sheet ID when checking answers.

Use what you learned to explain, construct or apply an idea.

1. Draw your own repeating pattern. Repeat its small group three times.

Look for:

- Identifies a repeating unit.
- Repeats the unit consistently.

One possible response: Circle, triangle, circle, triangle, circle, triangle.

2. A pattern is star, circle, star, star, star, circle. Which fourth item should change?

Look for:

- Recognizes the intended alternating pattern.

One possible response: Change the fourth item to circle.

Open responses use criteria and an illustrative response. Other well-supported responses can be acceptable.
