

## Observe and Record Weather: Apply and Create

Use the matching sheet ID when checking answers.

Use what you learned to explain, construct or apply an idea.

### 1. Does the log tell us the weather next Thursday?

Look for:

- Distinguishes a record from a future prediction.

One possible response: No. It records only three earlier days.

### 2. Tell an adult one thing you can see that helps describe weather.

Look for:

- Describes an observable feature.

One possible response: I can see clouds.

Open responses use criteria and an illustrative response. Other well-supported responses can be acceptable.
