

Analyze Shared Powers: Apply and Create

Name: _____ Date: _____

Use what you learned to explain, construct or apply an idea.

A broad federal example

Congress can pass a bill. The president can veto it. Congress can override a veto with the required two-thirds vote in each chamber. This example shows that actions can involve more than one branch.

1. Does a veto always end the bill permanently?

2. What would you need before explaining every step of federal lawmaking?
